DIARY NOTES

A-DD/A

8 thru 11 September 1953

1. Had lunch with Mr. Harrison, Staff Director on the Joint Committee on Printing, who is trying to find another location for the GPO plant now located in South Building. He had understood that we were just about to move into Riverside Stadium and thought that we might relinquish the building, or part of it, to the GPO plant. I told Mr. Harrison that we had been in the Stadium for over a year, had spent a substantial sum of money fixing it up for our own purposes, and could not release any part of it to the Government Printing Office. I invited him to visit the building and look at it, at which time I believe that it will be readily apparent to him as to what the problem would be. H

During the course of our conversation Mr. Harrison mentioned the resolutions that have been proposed which would set up a joint congressional committee to monitor CIA affairs. He indicated that he knew Senator Mansfield quite well and that if such a committee were established he might seek the position of Staff Director.

25X1A9a 2. Asked Shef Edwards to find  and report on what and how he is doing.

3. Discussed with George Meloon Personnel's failure to officially notify  that she had been rejected for employment in CIA. I emphasized to him that this was clearly a Personnel Office responsibility in all cases and that in no instance should he allow such responsibility to be assumed by another office. 25X1A9a

4. Mr. Meloon advised me that a Regulation outlining procedures to be followed in the event of the death of employees both here and overseas was in the process of preparation and would be ready for my consideration in a few days. 25X1A9a

5. Asked Mr. Meloon to look into the application for employment of Mrs.  and to let me know what the possibilities were. (This is the case in which  is interested.) 25X1A9a

6. Asked George to re-examine the proposed Regulation relating to the "use of excess leave" and to submit positive recommendations to me.

7. Mr. Meloon reports that the Security Hearing Board for the  case has been contacted and that a meeting has been scheduled for 14 September in the Director's Conference Room. 25X1A9a
